

# Trans Women HIV Research Initiative

**ARE YOU A TRANS WOMAN OR DO YOU  
SUPPORT TRANS WOMEN THROUGH  
YOUR WORK AND ADVOCACY?**

**JOIN OUR COMMUNITY  
ADVISORY BOARD (CAB)!**

The CAB provides advisory and consultation services to ensure all TWIRI-related studies and activities are appropriate and promote the health and wellbeing of the trans community.

CAB members will:

- Learn how studies are developed and advise on design.
- Review study plans and provide feedback on recruitment, feasibility, and appropriateness.
- Advise on the relevance and clarity of study materials.
- Provide input around future research projects and collaborations.
- Network to engage new partners.

**You will receive an honorarium for your  
participation on the CAB.**
